

voters' certificates shall be wrapped and sealed in a separate package, marked "Unused and Spoiled Voters' Certificates," bearing the signatures of the judges; and likewise returned to the said Board with other election equipment.

(g) In primary elections, before a voter is admitted to the voting machine, it shall be adjusted by the judge of election in charge thereof, so that such voter shall only be able to vote for the candidates of the party with which he is affiliated.

(h) No voter shall have the right to remain within the voting machine booth longer than two minutes if there are other voters awaiting an opportunity to register their votes; nor shall any voter occupy such voting machine booth longer than seven minutes.

87. (a) The judges of election shall, with the aid of the diagrams authorized in Section 85 of this Article and the mechanically operated model, instruct each voter, before he enters the voting machine booth, regarding the operation of the machine, and shall give the voter opportunity personally to operate the model.

(b) No voter shall be permitted to receive any assistance in voting at any election, unless he shall declare under oath to the judges of election that by reason of blindness or physical disability he is unable to read the names upon the ballot-labels or to see the machine, or, without assistance, to prepare it for voting, or enter the voting machine booth without assistance. Upon making and filing with the judges such affidavit, the voter shall retire to a voting machine, with two of the judges of opposite political parties, and then and there one of said judges in the presence of the other shall operate the machine as such voter shall direct, the voter himself naming one by one the candidates for whom he desires his vote to be recorded and not indicating the candidates by a general designation as the candidates of any one political party. The ballot-label shall not be read to such voter, nor shall any suggestion of any kind be made by either of said judges to show him as to how his choice shall be indicated, but the only assistance which it shall be lawful for the judges to give him is to move the vote indicators as he, without prompting or suggestion from them or either of them, shall direct, but no voter shall be assisted under this section until a majority of the judges of election shall be convinced of the truth of the fact stated in such affidavit. Voters who are not unable, by reason of blindness or physical disability, to operate the machine without assistance shall not be entitled to receive assistance in so doing. And with the exception in favor of persons blind or incapable by reason of physical disability of operating a voting machine without assistance, no distinction or discrimination
